MAMMAL HIT THE ROAD WITH THE BASS LINE HUMMIN'

After a **SOLD OUT** charity show for the Fitzroy Legal Service, a **SOLD OUT** Gaelic Club show in Sydney, a New Zealand tour and smashing **the SOLD OUT** stages of the Groovin' The Moo festival, Mammal are pleased to announce a new 18 date Australian tour!

Mammal are currently getting high rotation on Scuzz TV in the United Kingdom with their music video for 'Smash The Piñata'. This international exposure is quickly raising their profile and the band will be heading to the UK in September to tour and release their current record.

This will be your chance to catch Mammal live in action before they head overseas!
