## Original English Breakfast

Original English breakfast has a strong malty flavour. The Assam in the blend gives it a real 'tea' aftertaste and it feels heavy in the mouth. The Kenya adds strength and gives it a rich coppery colour.

## Chai

Complex, spicy and incredibly tasty, traditionally brewed with milk and honey, perfect for a chilly afternoon...

## French Earl Grey

A medium-bodied black tea with slivers of fruit that plays with bergamot in an inspiring and refined infusion

## Darjeeling

A superior tea from the most magical of tea growing regions set high in the Himalayas. A pale, fragrant leaf with delicate silver tips.

## Afternoon Earl Grey (Lady Grey)

A popular Continental version of Earl Grey, sometimes called 'Lady Grey'. This blend contains Ceylon Orange Pekoe for smooth strength, blue cornflowers and bergamot for exotic flavours

## Irish Breakfast

Deep, rich malty brew with a twinkle in its eye and a little flirty sweetness.

## Earl Grey

The now famous afternoon tea. Classic whole leaf Indian (Darjeeling) and China (Keemun) tea flavoured with Bergamont.
